

# CERIC Science Picture Contest

## 1st edition

### 2016

## CERIC-ERIC organizes the 1st edition of the CERIC Science Picture Contest

### THEMES

The CERIC Science Picture Contest is open for all the staff from the CERIC Partner Facilities. It aims at showing the CERIC research environment and its results, as well as the networking events where knowledge is shared among international scientists.

This is why CERIC Science Picture Contest will focus on three main themes:

- Scientific images (microscopy imaging, structures, chemical mapping, etc.)
- The research environment (instruments, research groups and their social activities, researchers at work, etc.)
- Institutional, social and public events

### HOW TO PARTICIPATE

Every participant can send up to 6 pictures (2 per theme) within the 15th of February 2016 to [press@ceric-eric.eu](mailto:press@ceric-eric.eu).

In order to be eligible for selection, pictures have to be CERIC-related, meaning that they have to refer to research activities, research groups and events that took place within CERIC framework and/or in at least one of the CERIC Partner Facilities.

When sending the files, you are invited to follow these specifications:

- .jpg format
- Colour CMYK;
- Resolution at least 300 dpi;
- Files should not exceed 7 MB each;
- The name of the file should contain your name + surname + picture title (filename.jpg).
- Both colour and black&white pictures are admitted.

Please send also the participation form filled in with the required data.

## REWARDS

A selection committee will select and reward the best picture of each theme, for a total of 3 pictures rewarded. The winning authors will be rewarded with 400 Euro after taxes. The selected pictures will be guaranteed the publication on the CERIC Report 2015, as well as on other media used by CERIC for its institutional and communication scopes. All received pictures may also be used for publications.

## SELECTION COMMITTEE

The artworks will be selected by CERIC-ERIC staff and approved by CERIC bodies. The Committee has the right to reward more artworks of the same author. The best pictures will be announced within March 2016 and will be printed and exposed in CERIC headquarters.

## ACCEPTANCE OF THE RULES

Participating in the CERIC Science Picture Contest, each applicant accepts to transfer for free to CERIC-ERIC all intellectual property rights, except the right to be recognized as the author, on the submitted images, which shall be used by CERIC-ERIC for its publications.

## CONTACTS
