

CERIC-ERIC Special Session

19th Conference of the Czech and Slovak Physicists

University of Prešov, Slovakia – September 6th, 2017
Ulica 17. Novembra 3724/15, 080 01 Prešov, Slovakia

Programme

- 14:00 – 14:30 Matthias Girod (CERIC-ERIC)
CERIC-ERIC, Central European Excellence for Research in Material and Life Sciences.
- 14:30 - 15:00 Daniel Mazur (Charles University Prague)
Surface Physics Laboratory and Material Science Beamline: Open access facilities for excellent materials physics and chemistry
- 15:00 – 15:30 Ivan Khalakhan (Charles University Prague)
Low loading platinum-based thin film catalysts for proton exchange membrane fuel cells
- 15:30 – 16:00 Vasyl Rizak (Uzhhorod National University)
The Mechanism of Interaction of Adenin Information Biomolecules with TiO₂ Surfaces
- 16:00– 16:30 Nataliya Popovich (Uzhhorod National University)
XPS investigation of Cerium Oxide with SE and Te Impurities
- 16:30** **End of the session**
