

Central European Research Infrastructure Consortium

CERIC-ERIC Special Session

19th Conference of the Czech and Slovak Physicists

University of Prešov, Slovakia – September 6th, 2017 Ulica 17. Novembra 3724/15, 080 01 Prešov, Slovakia

Programme

- 14:00 14:30 <u>Matthias Girod (CERIC-ERIC)</u> CERIC-ERIC, Central European Excellence for Research in Material and Life Sciences.
- 14:30 15:00 <u>Daniel Mazur (Charles University Prague)</u> Surface Physics Laboratory and Material Science Beamline: Open access facilities for excellent materials physics and chemistry
- 15:00 15:30 <u>Ivan Khalakhan</u> (Charles University Prague) Low loading platinum-based thin film catalysts for proton exchange membrane fuel cells
- 15:30 16:00 <u>Vasyl Rizak</u> (Uzhhorod National University) *The Mechanism of Interaction of Adenin Information Biomolecules with TiO*₂ *Surfaces*
- 16:00– 16:30 <u>Nataliya Popovich (Uzhhorod National University</u>) XPS investigation of Cerium Oxide with SE and Te Impurities

16:30 End of the session
