

<p>List of instruments for which TANGO control devices are already available at Elettra-Sincrotrone Trieste</p>
--

---- ELECTROMETERS AND PHOTON BPM READOUT

CAEN ELS AH401D-4-channel Charge Integration Picoammeter

CAEN ELS AH501D-4-channel Bipolar Picoammeter with Analog Monitors and Bias Voltage

---- VACUUM GAUGES

tpg300: Tango device for Pfeiffer tpg300 vacuum gauge controller

tpg2xx: Tango device for Pfeiffer tpg2xx vacuum gauge controllers

tpg256a: Tango device for Pfeiffer tpg256a vacuum gauge controller

tpg: Tango device for Pfeiffer vacuum gauge controllers tpg262, tpg256a, tpg300, tpg361, tpg362, tpg366, tpg500

im540: Tango device for Leybold IM540

---- ION PUMPS CONTROLLERS

4uhv: Tango device for Agilent Ultra High Vacuum (4uhv) power supply controller

---- PIEZO CONTROLLERS

pie517: Physik Instruments PI E-517 piezo controller

pi_e516: Physik Instruments PI E-516 Piezo Controller

e712: Physik Instruments E-712 Digital Piezo Controller Modular System for up to 3 Axes for Highest Precision

e621: Physik Instruments E-621.SR

plinec867: Physik Instruments PLine C867 piezo controller

gcs: Physik Instruments GCS protocol Ver.2, support for E871, E872, E873, C891
